INFORMATOR "Silent Auction"

1. A HELMET OF THE BROTHERHOOD OF THE ROOSTER

Helmet made of steel. This item arouses curiosity and interest. We present a replica of a helmet, made by Ryszard Pałka, an armourer of The Brotherhood of the Rooster. This helmet is very similar to the one in which The Brotherhood represented by Zbigniew Wierzbicki congratulated Mr. President of Wrocław on election for the third term in office during the City Council Gala Session two years ago. The process of making of the helmet lasted over two months and was executed according to medieval armour making techniques. The decorative parts are covered with 24-karat gold and with genuine silver. This is a unique specimen of the auction this year that thanks to Your financial commitment can save children's life and health.

A gift from Zbigniew Wierzbicki
